

The Residency Seminar Committee presents:  
**UPDATES IN COMMUNITY PRACTICE 2018**

A Knowledge-Based Seminar  
Thursday, November 8, 2018  
5:00 pm - 7:30 pm

Live Presentation:  
UIC College of Pharmacy  
Chicago - Room 134-1

Live Broadcast:  
UIC College of Pharmacy  
Rockford - Room E218

**Getting to the Heart of Rheumatology – Is There a Relationship Between Psoriatic Arthritis and Cardiovascular Disease?**

**Veranika Sasnovskaya, PharmD**

PGY-1 Community Speciality Pharmacy Resident  
University of Illinois at Chicago

**Learning Objectives:**

At the completion of this activity, the participant will be able to:

- Explain the pathogenic pathways of psoriatic arthritis and cardiovascular disease
- Review the literature illustrating the relationship between psoriatic arthritis and cardiovascular disease
- Discuss non-biologic and biologic disease modifying therapies and their role in reducing the risk of vascular diseases in patients with psoriatic arthritis

**Cannabidiol: An Introduction for Community Pharmacists**

**Ashley McClure-Wolfson, PharmD**

PGY-1 Community Pharmacy Resident  
University of Illinois at Chicago

**Learning Objectives:**

At the completion of this activity, the participant will be able to:

- Describe the efficacy and safety of cannabidiol as demonstrated in published clinical trials
- Explain cannabidiol's place in therapy for Lennox-Gastaut Syndrome (LGS) and Dravet Syndrome (DS)
- Compare the differences between what has been FDA-approved and what is currently available for purchase without a prescription as it relates to cannabidiol

Disclosure: The speakers, planning committee members, and reviewers who contributed to this activity have no actual or potential conflicts of interest to disclose.

**Registration & Fees:** There is no charge for attending this activity.

Heart of Rheumatology  
– Is There a Relationship  
Between Psoriatic Arthritis and  
Cardiovascular Disease?  
UAN# 0016-0000-18-037-L01-P  
1.0 contact hours

6:30 pm - 7:30 pm  
Cannabidiol: An Introduction  
for Community Pharmacists  
UAN# 0016-0000-18-038-L01-P  
1.0 contact hours

**Target Audience:**  
Pharmacists

The University of Illinois at Chicago College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education. Attendees have the opportunity to earn a total of 2.0 contact hours (0.2 CEUs) for the entire knowledge-based seminar. Attendance at the entire knowledge based activity, completion of the evaluation, and submission of NABP eProfile ID and MMDD are prerequisites for receiving continuing pharmacy education credit(s). All ACPE credit awarded to participants must be uploaded to CPE Monitor™ within 30 days of the activity date, so pharmacists are required to provide their e-Profile ID and date of birth (MMDD) at the time of the activity. Please contact [aquar12@uic.edu](mailto:aquar12@uic.edu) if you do not see activity information listed within 30 days. For more information and to set up your e-Profile visit: [www.MyCPEmonitor.net](http://www.MyCPEmonitor.net).
