

The Residency Seminar Committee presents:

Challenges of the Use of Biomarkers in the Management of Neonatal Sepsis

A Knowledge-Based Activity

Joette Amundaray Miller, PharmD

PGY-1 Pharmacy Practice Resident
UIC College of Pharmacy

Thursday, November 15, 2018

12:30 pm – 1:20 pm

Live Presentation: UIC College of Pharmacy Chicago - Room 134-1

Live Broadcast: UIC College of Pharmacy Rockford - Room E226

Target Audience: Pharmacists

Learning Objectives:

At the completion of this activity, the participant will be able to:

- Discuss the incidence and pathophysiology of neonatal sepsis
- Describe the significance of biomarkers in neonatal sepsis
- Review the current literature on the use of C-reactive protein and procalcitonin in the management of neonatal sepsis

Fees: **There is no charge for attending this activity.**

Disclosure: All speakers, members of the CE advisory committee, and planning committee who contributed to this activity have no actual or potential conflicts of interest to disclose.

Statement of Continuing Pharmacy Education Credit:

The University of Illinois at Chicago College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education. This activity has been assigned ACPE Universal Activity Number **0016-0000-18-040-L01-P**, for **1.0 contact hour (0.1 CEUs)**. Attendance at the entire knowledge based activity, completion of the evaluation, and submission of NABP eProfile ID and MMDD are prerequisites for receiving continuing pharmacy education credit(s). All ACPE credit awarded to participants must be uploaded to CPE Monitor TM within 30 days of the activity date, so pharmacists are required to provide their e-Profile ID and date of birth (MMDD) at the time of the activity. Please contact aquarl2@uic.edu if you do not see activity information listed within 30 days. For more information and to set up your e-Profile visit: www.MyCPEmonitor.net.
