

The Residency Seminar Committee presents:

Two is Company, Three is a Crowd—Triple Antithrombotic Therapy in Coronary Disease

A Knowledge-Based Activity

Erin Pozzolano, PharmD

PGY-1 Pharmacy Practice Resident
UIC College of Pharmacy

Tuesday, November 20, 2018

12:30 pm – 1:20 pm

Live Presentation: UIC College of Pharmacy Chicago - Room 134-1

Live Broadcast: UIC College of Pharmacy Rockford - Room E226

Target Audience: Pharmacists

Learning Objectives:

At the completion of this activity, the participant will be able to:

- Describe the efficacy outcomes and safety concerns regarding triple antithrombotic therapy in the setting of atrial fibrillation and percutaneous coronary intervention
- Discuss primary literature assessing safety and efficacy of dual antithrombotic therapy regimens compared to triple therapy
- Identify gaps in the present literature where additional research regarding triple or dual antithrombotic therapy in coronary disease is warranted

Fees: **There is no charge for attending this activity.**

Disclosure: The speakers, planning committee members, and reviewers who contributed to this activity have no actual or potential conflicts of interest to disclose.

Statement of Continuing Pharmacy Education Credit:

The University of Illinois at Chicago College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education. This activity has been assigned ACPE Universal Activity Number **0016-0000-18-042-L01-P**, for **1.0 contact hour (0.1 CEUs)**. Attendance at the entire knowledge based activity, completion of the evaluation, and submission of NABP eProfile ID and MMDD are prerequisites for receiving continuing pharmacy education credit(s). All ACPE credit awarded to participants must be uploaded to CPE Monitor™ within 30 days of the activity date, so pharmacists are required to provide their e-Profile ID and date of birth (MMDD) at the time of the activity. Please contact aquar12@uic.edu if you do not see activity information listed within 30 days. For more information and to set up your e-Profile visit: www.MyCPEmonitor.net.
