

The Residency Seminar Committee presents:

**Teach an Old Drug New Tricks: Indications for Dornase Alfa in Non-Cystic Fibrosis Pediatric Patients**

*A Knowledge-Based Activity*

**Michelle Lee, PharmD**

PGY-2 Pediatric Pharmacy Resident  
UIC College of Pharmacy

**Tuesday, March 12, 2019**

**Live Presentation:** UIC College of Pharmacy Chicago - Room 134-1

**Live Broadcast:** UIC College of Pharmacy Rockford - Room E226

**Target Audience:** Pharmacists

**Agenda:**

5:30 pm – 6:00 pm     Light dinner and refreshments  
6:00 pm – 7:00 pm     Michelle Lee, PharmD

**Learning Objectives:**

At the completion of this activity, the participant will be able to:

- Review the FDA-approved indications, dosing, and mechanism of action for dornase alfa
- Examine the current literature for the use of dornase alfa in non-cystic fibrosis conditions, including atelectasis, bronchiolitis, and asthma in pediatric patients
- Discuss the role of dornase alfa in the management of non-cystic fibrosis respiratory conditions in pediatric patients

**Fees:** Free. Please RSVP at <https://ce.pharmacy.uic.edu/events/evening-pharmacy-resident-seminar-march-12-2019/>. Registration opened until **noon, Monday, March 11, 2019**.

**Disclosure:** The speakers, planning committee members, and reviewers who contributed to this activity have no actual or potential conflicts of interest to disclose.

**Statement of Continuing Pharmacy Education Credit:**

The University of Illinois at Chicago College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education. This activity has been assigned ACPE Universal Activity Number **0016-0000-18-044-L01-P**, for **1.0 contact hour (0.1 CEUs)**. Attendance at the entire knowledge based activity, completion of the evaluation, and submission of NABP eProfile ID and MMDD are prerequisites for receiving continuing pharmacy education credit(s). All ACPE credit awarded to participants must be uploaded to CPE Monitor™ within 30 days of the activity date, so pharmacists are required to provide their e-Profile ID and date of birth (MMDD) at the time of the activity. Please contact [aquarl2@uic.edu](mailto:aquarl2@uic.edu) if you do not see activity information listed within 30 days. For more information and to set up your e-Profile visit: [www.MyCPEmonitor.net](http://www.MyCPEmonitor.net).
