

The Residency Seminar Committee presents:

Is Gattex a Go?: The Use of Teduglutide (Gattex) in Pediatric Short Bowel Syndrome

A Knowledge-Based Activity

Melody Saunders, PharmD

PGY1 Pharmacy Practice Resident

UIC College of Pharmacy

Tuesday, October 22, 2019

12:30 PM - 1:20 PM

Live Presentation: UIC College of Pharmacy Chicago - Room 134-1

Rockford Broadcast: via Webex.

Handouts available at Box.com (<https://uofi.box.com/v/seminarhandouts>)

Target Audience: Pharmacist

Learning Objectives:

At the completion of this activity, the participant will be able to:

- Explain short bowel syndrome (SBS) and current standard treatment
- Describe the mechanism of action, administration and indication for teduglutide
- Review the use of teduglutide in the pediatric population

Fees: There is no charge for attending this activity.

Disclosure: The speakers, planning committee members, and reviewers who contributed to this activity have no relevant conflicts of interest to disclose.

Statement of Continuing Pharmacy Education Credit:

The University of Illinois at Chicago College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education. This activity has been assigned ACPE Universal Activity Number 0016-0000-19-074-L01-P, for 1.0 contact hours (0.1 CEUs). Attendance at the entire knowledge-based activity, completion of the evaluation, and submission of NABP eProfile ID and MMDD are prerequisites for receiving continuing pharmacy education credit(s). All ACPE credit awarded to participants must be uploaded to CPE Monitor™ within 30 days of the activity date, so pharmacists are required to provide their e-Profile ID and date of birth (MMDD) at the time of the activity. Please contact aquarl2@uic.edu if you do not see activity information listed within 30 days. For more information and to set up your e-Profile visit: www.MyCPEmonitor.net.
