Target Audience: Pharmacists

Agenda:

5:30 pm – 6:00 pm Light dinner and refreshments (for Chicago only)
6:00 pm – 7:00 pm Joette Amundaray Miller, PharmD

Learning Objectives:

At the completion of this activity, the participant will be able to:

- Describe the incidence and current management of neonatal abstinence syndrome
- Review the evidence available on the Eat, Sleep, Console approach in the management of neonatal abstinence syndrome
- Discuss considerations for implementing the Eat, Sleep, Console method into clinical practice

Fees: Free, must RSVP for dinner. To RSVP, visit <https://ce.pharmacy.uic.edu/events/resident-seminar-january-21-2020/>. Registration opened until **noon, Thursday, January 16, 2020.**

Disclosure: The speakers, planning committee members, and reviewers who contributed to this activity have no relevant conflicts of interest to disclose.

Statement of Continuing Pharmacy Education Credit:

The University of Illinois at Chicago College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education. This activity has been assigned ACPE Universal Activity Number 0016-0000-20-001-L01-P, for 1.0 contact hour (0.1 CEUs). Attendance at the entire knowledge-based activity, completion of the evaluation, and submission of NABP eProfile ID and MMDD are prerequisites for receiving continuing pharmacy education credit(s). All ACPE credit awarded to participants must be uploaded to CPE Monitor™ within 30 days of the activity date, so pharmacists are required to provide their e-Profile ID and date of birth (MMDD) at the time of the activity. Please contact aquari2@uic.edu if you do not see activity information listed within 30 days. For more information and to set up your e-Profile visit: www.MyCPEmonitor.net.
