7:30 pm	Closing Remarks

Breakout Sessions: Participants will choose 3 of the 5 breakout sessions to attend between 3:30 pm and 5:40 pm):

1. Things to Know Regarding Opioid Polices in the State of Illinois

Paul E. Pedersen, MD

A Knowledge-Based Activity

ACPE UAN# 0016-0000-19-043-L03-P, 0.5 contact hours (0.05 CEUs)

Learning Objectives:

- Describe the requirements for covering Medication-Assisted Therapy (MAT) without prior approval for Illinois Medicaid Patients.
- Discuss the enrollment criteria for patients seeking medical cannabis registry cards as an alternative to opioids.
- Describe the legislative initiatives on opioid prescribing in Illinois

Room E230

2. Utilization and Highlights of the Illinois Prescription Drug Monitoring (PDM) Program

Sarah Pointer, PharmD

A Knowledge-Based Activity

ACPE UAN# 0016-0000-19-045-L03-P, 0.5 contact hours (0.05 CEUs)

Learning Objectives:

- a. Explain the purpose of Public Act 100-0564
- b. Describe the initiatives to reduce opioid misuse and abuse in Illinois and how healthcare providers can be involved
- c. Describe the current legislative changes in Illinois regarding opioid prescribing

Room A254

3. Treatment of Opioid Addicted Pregnant Patients and Neonatal Abstinence Syndrome

Jason Hunt, MD

Room E226

4. Naloxone Now: Training in the Reversal of Opioid Overdose

Wendy Slipke, PharmD, BCPS, BCCCP, Catherine Lewis, MS.IDT, and Kirk Schubert, PharmD

Room E218

5. Proper Prescribing of Opioid Analgesics

Tamara Wojciechowski, PhD(c), CRNA, FAIPM

A Knowledge-Based Activity

ACPE UAN# 0016-0000-19-046-L01-P, 0.5 contact hours (0.05 CEUs)

Learning Objectives:

- a. Describe the 3 areas of focus for the recommendations in the Centers for Disease Control guidelines on opioid prescribing
- b. Explain the time frame in which a patient can become addicted to opioids
- c. Describe the factors to consider when determining if a patient is actually in pain or trying to obtain opioids for non-medical use

Room E210

Disclosures:

The speakers, planning committee members, and reviewers who contributed to this activity have no relevant financial conflict of interest to disclose.

Statement of Continuing Pharmacy Education Credit:

The University of Illinois at Chicago College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education. Attendees have the opportunity to earn a total of 2.25 contact hour (0.225 CEUs) for the entire knowledge-based seminar. Attendance at the entire knowledge-based activity, completion of the evaluation, and submission of NABP eProfile ID and MMDD are prerequisites for receiving continuing pharmacy education credit(s). All ACPE credit awarded to participants must be uploaded to CPE Monitor™ within 30 days of the activity date, so pharmacists are required to provide their e-Profile ID and date of birth (MMDD) at the time of the activity. Please contact aquarl2@uic.edu if you do not see activity information listed within 30 days. For more information and to set up your e-Profile visit: www.MyCPEmonitor.net.

Statement of Continuing Medical Education Credit:

Mercyhealth is accredited by the Illinois State Medical Society to provide continuing medical education for physicians.

Mercyhealth designates this live educational activity for a maximum of 6.5 *AMA PRA Category Credits™*.

Physicians should only claim credit commensurate with the extent of their participation in the activity.

Mercyhealth provides equal opportunities in employment and programming, including Title IX requirements.

Mercyhealth fully complies with the legal requirements of the ADA and the rules and regulations thereof. If any participant in this educational activity is in need of accommodations, please notify Jane Mordick at (815) 971-7082.
